Royal Government of Bhutan
DAGANA DZONGKHAG ADMINISTRATION

HS(01)/2021/ 127

9 July 2021

Notification

This is to notify the general public that the second round of COVID vaccination will commence from 19th July, 2021 as announced. The registration of vaccination through Bhutan Vaccine System (BVS) will begin from yesterday. However, if already registered before need not have to register again, but can update your current information if any, for the second dose by viewing your previous registration details in BVS.

Therefore, we notify the general public of Dagana Dzongkhag who are 11 years old and above, and individuals who did not register during the 1st round may get yourself registered. We also request Regional Heads, Gewog Officials and Agency Heads to support registering those who could not register in BVS or **Call 1010 for registration Assistance.**
